July 14 – Saturday – Picnic Shelter 4 Triad Park

August 14 – John Lucas

September 11 – Dave MacInnes

October 9 – Barbara Dill

Message from the President:

Unfortunately I was incapacitated last month and unable to attend Michael Hosaluck's demonstration. I do hear that it was excellent, as expected. This month is our picnic, always a good gathering. Be sure to let Bonna and Rita know your plans if you have not done so already.

August looks to be another excellent demonstration. John Lucas will be with us. For those of you unfamiliar with John's work I recommend you simply undertake a search for John Lucas Woodturner on Google or Bing, or your favorite search engine. You will get lots of hits, including this one:
<http://www.aawforum.org/community/index.php?media/galaxy-mirror-red-planet-s-1.15091/> John is well known as both a turner and teacher with his workshops and demonstrations universally acclaimed. I am looking forward to him joining us in August.

Bob Muir tells me that the Summer Turning for Kids program is well under way with 17 students, 8 instructors and 9 lathes. **If we plan to continue this in coming years it is critical that someone volunteer to head the program. Bob has been doing it for years and needs to step aside. Please speak with Bob about the program and what it takes. If you can find yourself able to do this, step up!** This is the principal activity that we do in lieu of rent for the

space in which we meet, which adds urgency to the request.

ON-GOING PROJECTS

Purple Heart Pens: We are closing in on bringing this project to completion. Be sure to contact George Suderman and let him know if you plan to attend the banquet. George will be compiling names at the picnic.

Beads of Courage boxes

Repeating the call for Beads of Courage Boxes. Remember, the limits on these boxes are really pretty open in terms of style so feel free to let your creative juices flow. Just remember that these are for some very ill children so do keep within the guidelines. As you plan out your boxes please take the time to read this:

PRESIDENT'S CHALLENGE

July: As this is the picnic, we will not have a President's Challenge.

August: Turn something from Ash. A baseball bat is the obvious choice, but turn anything you wish, as long as it involves Ash.
